- silk
- cotton
- wool
- bolting cloth

Chain temple with support SU

SR No. 911 833 046
HUAG No. 03.117.00101

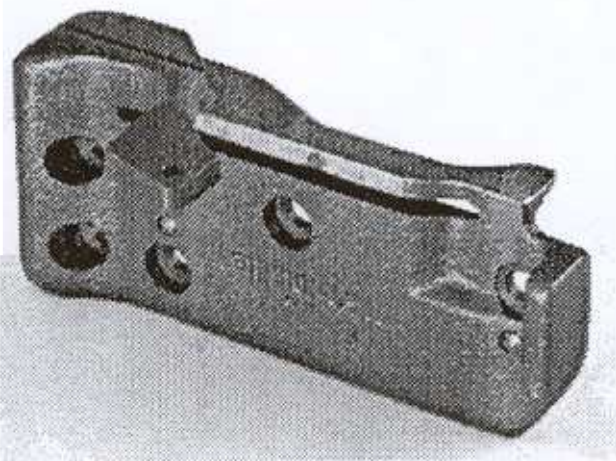

Chain temple with support FA

SR No. 911 833 047
HUAG No. 03.118.00101

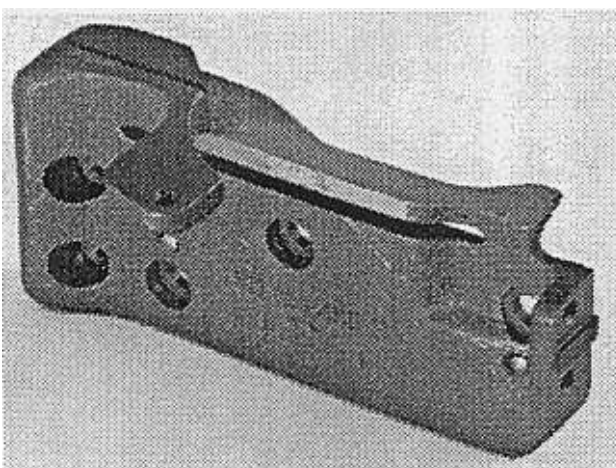

In your order please indicate number of required axle support.

Required special axle support

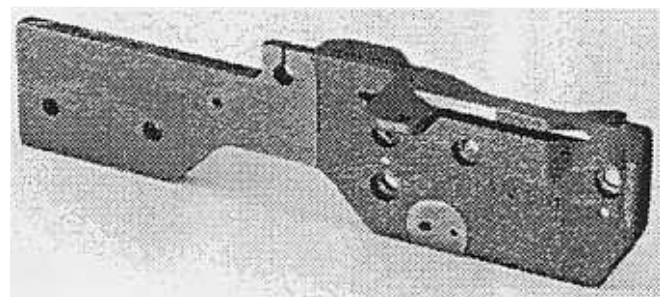

Axle support "Bolting cloth":

Position	SR-No.	HUAG-No.
SU LL	911 333 687	53.110.04701
FA LL	911 333 688	53.110.04801

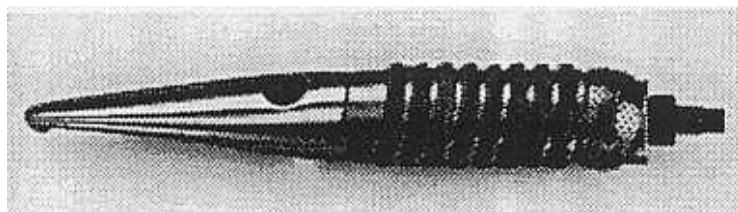

Axle support "Normal":

Position	SR-No.	HUAG-No.
SU LL	911 333 691	53.110.05401
FA LL	911 333 692	53.110.02001
SU TLL	911 333 693	53.110.01901
FA TLL	911 333 692	53.110.02001

Axle support "Leno special" for cutting device, with scissor driven from below:

Position	SR-No.	HUAG-No.
SU LL	911 333 694	53.110.04301
FA LL	911 333 695	53.110.04401

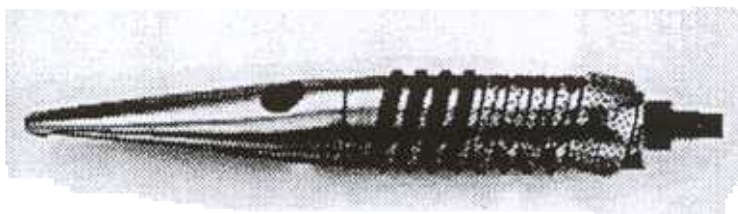

Temple cylinder SU/FA leading the cloth selvedge in straight line into the chain temple

For bolting cloth:

SR No. 911 833 053
HUAG No. 01.364.02202
